## ***Mid-Week Update***

August 31, 2011

### **A Note From Our Directors**

Two important announcements from Mr. Roth and Mr. Parks:

The schedule for Friday (and specifically a reminder that, in addition to performing at halftime, we will also be performing PREGAME at 6:50, with the opener and first half of the ballad). At halftime we will perform a smaller portion of the show, and will end with a Block K and the fight song! (the schedule is posted on our blog)

A reminder for students to bring their own dinner on Friday night (we'll eat from 5-6 PM). Dinner will not be provided by KBBA.

### **Equipment Crew Announcement**

This Friday night, Sept. 2nd, we will be hosting Etowah and we will be needing help with equipment. With the new format for home games this year, we are limited as to how many folks can get in to help. Depending on how many of the regular equipment folks show up will determine how many available spots I will have. Since the band is performing pre game, the report times will be moved up to 6:00 Friday evening in front of the auditorium. We will take the pit instruments and drum major podiums to the field with the band and line up on the field for the performance. Once pre game is over, we will stage the pit and podiums over by the lower main gate.

~ Gary Black

### **Concession Stand Volunteers**

Volunteers are still needed to help with football concessions on Friday, September 2 for our first home game. Please contact Donna Piper at [radpiper@msn.com](mailto:radpiper@msn.com).

~ Donna Piper

### **Announcement From Mr. Dietrich**

Your child should have seen this announcement posted in the band room. Hopefully they have told you about our meeting this week. If not we are having a parent/student meeting Thursday night, September 1 at 5:30pm in the Chorus room. We will be discussing our trip to the National Percussion Festival.
