

# KBBA Newsletter

## Parent Volunteers

We are in need of volunteers! For some reason we have had a very hard time getting parents to step up and help. There is a relatively small number of parents that can be seen at rehearsals and games.

We have a rehearsal this **Monday** and NO ONE has signed up to help chaperone. If you haven't taken time to volunteer yet this year you need to step up!

We have a rehearsal this **Tuesday** and only one person has signed up to help chaperone. If you haven't taken time to volunteer yet this year you need to step up!

We have a percussion rehearsal this **Tuesday** and all chaperone slots are filled. Way to go Percussion parents!

We have a rehearsal this **Thursday** and only one person has signed up to help chaperone. If you haven't taken time to volunteer yet this year you need to step up!

We have a rehearsal this **Friday** before the game and only one person has signed up to help chaperone. If you haven't taken time to volunteer yet this year you need to step up!

In addition we have been in need of additional Equipment Dads at almost every football game this year. Even though there are not slots listed on CHARMS, notices have been listed in our newsletter. If you haven't taken time to volunteer yet this year you need to step up!

Please consider volunteering to help. If we all just volunteer a little then we will be able to provide our kids what they deserve - a positive experience in band.

To those who are seen weekly at a band event - THANK YOU. You are doing a terrific job.

## FUN Raisers

Don't forget:

- 1) Pie and Cookie Dough sales
- 2) Georgia Tech Football Concessions
- 3) 1st annual Christmas Tree Sale
- 4) Car Wash - Coming October 15th
- 5) Chick-fil-a Day/Night - Wed., October 19th.
- 6) Indian River Fruit Sale

## SCRIP Update

Believe it not, the holidays are just around the corner - whether you are referring to Halloween, Thanksgiving, Christmas, Hanukah, Kwanzaa, or any other holiday that you celebrate. So start thinking about decorations, presents, and household items that you will need for that time and start planning for the holiday season.

See you Tuesday!
