Mid-Week Update

September 28, 2011

PGA Concessions

WE have just finished another year of a fabulous working of the PGA Tour concessions. THANK YOU to ALL the PGA volunteers. You once again you showed up and were the hardest working group on the course. The PROM Catering volunteer coordinator summed up our Kell Band volunteers best by stating "One Kell Band volunteer is equal to two of the other volunteers".

THANKS AGAIN.

See you next year. Please block off next years PGA - September 19-23, 2012.

Equipment Crew

Hey folks, This Friday, the 30th, we will be traveling to Pope High School and we need help with equipment in a couple of ways. First, we need help loading the truck in the practice lot around 5:30. This is the most time consuming part of the evening and the more help we have the quicker we get loaded and can leave. Secondly, we need help at Pope unloading the truck and then getting the pit and podiums on/off the field at halftime. So if you can help, please join us Friday evening.

As we enter the month of October, things are really going to crank up as all 4 of our major performances will take place during this month. These performances require a lot more help because we will be using the props. Please be watching for the updates for opportunities to help and get involved whether it is equipment, chaperoning, hospitality, uniforms or any other area of service. This band does not move on it's own and it requires a tremendous effort to help make them successful.

Thank you and I hope to see you soon!!

Saturday, October 1 Rehearsal Schedule

With the success of last week's amended schedule, this week's 9-9 will also be amended to 10:00-7:30. Again, this is to help all members get a good rest and come to band on Saturday and work hard on our last long rehearsal prior to the Jacksonville BOA trip. Unfortunately, we do not have the stadium this week so the 7:15 performance will be on the band lot. We still would like as many people there to see the results of all the hard work done that day!

- 9:55 Stretch
- 2:30 Lunch (bring our own)
- 3:30 Rehearsal
- 7:15 Performance (invite alumni, parents, friends).
- 7:30 Dismiss
