## ***Mid-Week Update***

November 2, 2011

### **It's Not Over**

Yes, the competitive marching season has come to an end but band activities are far from over. Our concert bands (Concert, Symphonic, and Wind) are gearing up for their winter concert, Percussion Ensemble is starting to prepare for the National Percussion Festival, Winter Guard is just around the corner, and don't forget about Shop With a Longhorn.

So.....Continue to check the website, the Director's Blog and our weekly newsletter for new information.

### **Equipment Crew**

Hey folks,

This Friday night, the 4th, we will be hosting South Paulding and the band will be performing at halftime. We will need help with equipment. If you are interesting in helping, we will meet in front of the auditorium between 6:00-6:15 Friday evening.

Thank you,  
Gary Black
